

FORM 5

TOOLFAIR & ELEX

VEHICLES THAT FORM PART OF AN EXHIBITION STAND

In order to bring a vehicle into the exhibition hall and display it as part of an exhibition stand the exhibiting company agrees to the following requirements which have been set by the Venue and the Show Organisers:

- 1) Vehicles must have the minimum amount of fuel in them (less than 1 gallon).
- 2) All vehicles are to be provided with a lockable filler cap to the fuel tank(s) which must remain locked at all times.
- 3) Batteries must be disconnected.
- 4) Appropriate emergency fire fighting equipment capable of dealing with petroleum fires must be provided on each display stand in (Co2 fire extinguisher).
- 5) On receipt of this form the organisers will allocate a delivery time for the vehicle to be onsite.
