Exhibitor's Responsibilities			
An exhibition stand is a workplace covered by health and safety legislation. As the exhibitor, it is your responsibility to ensure that a suitable and sufficient risk assessment is completed. Failure to do so could lead to delays or ultimately the closure of your stand. This form is to be completed by <u>all</u> exhibitors. Space only stands will also need to submit a more detailed risk assessment for the build of the stand. If you are in any doubt please contact Kirstin Eldridge (01494 714599 – kirstineldridge@supanet.com).  Does your stand include any of the following? If so you must complete the additional risk assessment (Form 1.1).			
			Yes/No
Lifting heavy products during the	build-up/breakdown		1 63/1 40
Working at height (using ladders)			
Display of anything containing liquid fuel or flammable and explosive substances. Please note flammable gases in			
aerosols are not allowed			
Display of sharp objects			
Demonstrations of any kind			
Working electrical appliances other than simple display lighting			
Heat source of any kind including naked flame or gel burners			
Working machinery of any kind even if static			
Using power tools either during the show or build-up/breakdown			
Any portable appliances being displayed NOT had a visual inspection or been PAT tested			
Own gazebo or awning			
Vehicle as part of your exhibition stand - additional paperwork required (Form 5)			
Any other hazard not identified above which could be a risk			
Note this is not an exhaustive list. You are responsible for identifying any aspect of your stand which could present a hazard.			
If you have answered <b>NO</b> to all of the above please sign below. If you have answered <b>YES</b> to any of the above please complete and return Form 1.1 (Full Risk Assessment)			
I declare that to the best of my knowledge, the above information is accurate and that the items on display for the above stand, and the construction process, represent no significant risks to the health and safety of staff, contractors and visitors to the exhibition.			
I hereby confirm that as the nominated person, responsible for health & safety management of the stand/company named above have read and understood all the CDM site specific information. Further to this, I can also confirm that ALL associated stand contractors operating during the construction and de-construction phase of the event have been given all CDM information before arriving onsite.
